# DUFFERIN COLLEGE

(Late Hellmuth College.)

## Closing Exercises, June 24th, 1880.

The amusement hall of Dufferin College was crowded by an assemblage of ladies and gentlemen last night, on the occasion of a musical and dramatic entertainment in connection with the closing exercises of the Institution. Although the temperature of the room militated against the general comfort, it must have been gratifying to the students to know that, notwithstanding this drawback, their efforts were most heartily appreciated. The cadets, with their highly decorated uniforms, added to the attractiveness of the scene in the auditorium, and the best of order prevailed. Shortly after 8 o'clock the following programme was carried out with credit to all who took part:—

Overture.....Miss Hughesdon  
German Recitation.....H. A. Thomas  
Song—"Twickenham Ferry".....Rev. W. Hill  
Quadrille.....Miss Hughesdon and H. B. Darnell

FARCE—"A LAME EXCUSE."  
Samuel Stubbles.....M. Atkinson  
Captain Feather.....Chisholm  
Dibbles.....Palmer  
Peter.....Hawley  
Josephine.....Church  
Susan Fringe.....Bennett

During the first portion of the programme the presentation of medals and prizes took place, Right Rev. Bishop Alford, in the absence of His Lordship the Bishop of Huron, officiating, and expressing his sincere satisfaction, both at the condition and prospects of the College, and the proficiency manifested by the students.

After the distribution of prizes, an admirable valedictory was read by Mr. H. A. Thomas, who, having gained the Diploma, is about to enter the Huron Divinity College, in October next.

At the close of the valedictory, which was heartily applauded, Lieut.-Col. Griffiths, for several years Commandant of the College, was presented with a valuable meerscham pipe by the students, on the eve of his separation for Nova Scotia. After the address had been read, Col. Griffiths made a suitable reply, in which he referred to the pleasant hours spent with those whom he was now forced to leave. He wished them every prosperity in the future.

At the conclusion of the entertainment, refreshments were served, for the students and their friends, in the dining room. During the evening, Rev. Principal Darnell was most assiduous in his attention to all present, and the same may be said of all connected with the institution. At a seasonable hour the guests took their departure, feeling grateful for the excellent evening's entertainment.

## Congratulatory Letter.

LONDON, May 10th, 1880.

To Col. Griffith, Iondon.

MY DEAR SIR:—I was present at the Church Parade yesterday, and was delighted at the splendid drill and marching of the Dufferin College Cadets. I can assure you I have seen nothing like it for a long time.

Allow me to congratulate you.

I have the honor to be, Sir, your obt. serv't,

P. H. ATTWOOD,

Lt.-Col., coman'g 26 Batt., Light Infantry.

## Dufferin College—the New Commandant.

We are pleased to be able to record the appointment of Major the Hon. H. Aylmer to be Commandant of Dufferin College, which position has been rendered vacant by the retirement of Lieut.-Col. Griffiths to join his family in Nova Scotia. Major Aylmer has served in Her Majesty's regular service from 1859 to 1871, and since his retirement has held important positions in connection with the Canadian Militia, having for the last five or six years commanded a Field Battery under Col. Strange, of the Royal Artillery, and having been despatched to England in 1878 by Col. Czowski in command of the Wimbledon Team. Major Aylmer comes amongst us with a high reputation, both as regards his administrative ability and his general attainments, and though personally but little known in this immediate vicinity, belongs to a family universally respected in the Lower Province, being a son of Lord Aylmer, of the Eastern Townships. We congratulate Dufferin College on having secured for so important a position, one whose high character is in every respect equal to his ability.
